4:00PM-9:00PM

CEDAR HEALING CEREMONY

We are offering a healing ceremony to all community members. This cedar healing ceremony is to cleanse the body, mind and spirit. All who endure stress, addiction, anxiety, depression, grief, suicide, trauma(s) etc. are encouraged to take part.

We ask those to come with an open mind and an open heart for this healing. Community members are welcome to observe as well. Miiqwetch.
